8. Registrar

The Assistant Registrar (Academic) was also present.

At the outset Dean, Academic Affairs extended warm welcome to the Vice-Chancellor, the External Expert and the other members of the BORS for attending the meeting.

In response to a query of the Hon'ble Vice-Chancellor regarding the poor response of the experts, the Dean Academic Affairs proposed induction of token honorarium payable to the experts on account of vetting of the synopses. The proposal was agreed to and it was resolved that the Deans Committee will determine the honorarium payable to the experts. The Dean Academic Affairs also pointed out the deficiencies in the composition of DRC of some Departments. It was resolved that Dean Academic Affairs shall issue a circular for rectifying the deficiency in future.

Thereafter the agenda was taken up for consideration.

Minutes of the meeting of Board of Research Studies in Applied Sciences and Technology held on 25-09-2017 at 11:00 a.m. in the Committee Room of the Administration Block.

Present:

01. Prof. K. I. Anárabí
Vice-Chancellor (Chairman)
02. Prof. Zafar A. Ráshí
Dean Research
04. Prof. F. A. Masoodí
Head, Deptt. of Food Sciences & Technology & Dean, School of Applied Sciences & Technology
07. Head, Deptt. of Pharmaceutical Sciences
08. Head, Deptt. of Computer Science
09. Head, Deptt. of Electronics & Instrumentation Technology

The Assistant Registrar (Research) was also present.

At the outset, Dean Research welcomed the members and requested Hon'ble Vice-Chancellor for his valuable introductory remarks. Hon'ble Vice-Chancellor desired that the quality of research should improve and efforts should be made to pursue such research themes that have direct relevance to society. After due deliberations it was felt that following be complied with:

1. The statutes governing Integrated Ph.D programme be followed in letter and spirit, particularly in respect of constitution of Research Progress Assessment Committee (RPAC) for assessment of work progress.
2. It should be ensured that the scholars maintain raw data which should be available on demand.
3. Scholars shall obtain Similarity Index Report from Nodal Officer (Librarian, Allama Iqbal Library) before applying for issuance of academic clearance.
4. An abridged one page synopsis that includes title, research questions/hypothesis/objectives and importance of work be included in the agenda, the detailed synopses be considered by the DRC and a copy of the same shall be kept available at the time of BORS.
5. Departments should explore possibility of co-supervisors for research scholars from premier Institutions such as IITs etc. It was strongly felt that co-supervision of only such teachers/scientists from outside the University should be sought/considered who bring certain expertise/experience that is not available in the University.
6. Title of the synopses should be reviewed and finalized at pre-BORS meeting six months before submission of the Ph. D theses.
7. It was also resolved that Head, Deptt. of Electronics & Instrumentation Technology shall forward synopses (hard & soft copies) of 3-year Integrated Ph. D scholars recommended by DRC to the Dean Research. After obtaining remarks of BORS members, on the titles of the research topics, Dean Research shall make recommendations for approval of the competent authority.

Subsequently agenda was taken up for discussion.
