**Date-** 14th December 2024

**Time:** 11.00 AM – 12:40 PM

**Venue:** Department of Pharmaceutical Sciences University of Kashmir (J&K)

**Mode of Activity:** Online/Offline

**Brief objective of event:** The objective of this activity was to give students insights into the evolving pharmacy industry in the digital era.

**Brief description of event:** - The Department of Pharmaceutical Sciences, University of Kashmir, in collaboration with APTI J&K and ClinoSol Research Pvt. Ltd., organized an insightful and transformative webinar titled "Pharmacy Careers in the Digital Age: Exploring New Horizons." This free event aimed to educate students, academicians, and professionals about the growing opportunities and advancements in the pharmaceutical industry brought about by the digital revolution. The webinar featured a keynote session by Mr. C.S. Mujeebuddin Shaik, the Founder and CEO of ClinoSol Research Pvt. Ltd., who shared his expertise on how digital innovations are shaping pharmacy careers. He discussed the dynamic intersection of pharmacy and technology, highlighting emerging roles in clinical research, data-driven decision-making, and personalized medicine, emphasizing how professionals can adapt to this evolving landscape. The event commenced with opening remarks by Prof. Geer M. Ishaq, Placement In-Charge, followed by an inaugural talk by Prof. Sabeeha Shafia, Head of the Department. A special address was delivered by Prof. Zulfiqar Ali Bhat, Dean of the School of Applied Sciences and Technology, who underscored the importance of embracing digital tools and skills in pharmacy education and practice. The keynote session was followed by an interactive Q&A segment where participants engaged with Mr. Mujeebuddin, seeking guidance on career pathways, challenges, and advancements in the digital era.

The webinar provided a platform for intellectual exchange and networking, fostering awareness of new horizons in pharmacy careers. It concluded with a vote of thanks, acknowledging the contributions of the organizing committee, collaborators, and attendees. The event served as an inspiring and forward-looking initiative to prepare pharmacy professionals for the challenges and opportunities of the digital age.
